

## chapter 4: The Winning Job Campaign

You'll need more than wishes and dreams to land the right job!  
This chapter will set you in the right direction.

I dressed right;  
I communicated my sights;  
I had my third interview;  
I hope I was alright

I wish I may;  
I wish I might;  
I wish this offer  
tonight!

**Morehouse and Spelman students listen carefully to interviewing tips.**
