PLEASE NOTE: Please feel free to pass this listing along to any youth you know pre-college or already attending college. **AFRICAN AMERICAN STUDENTS OFTEN FAIL TO APPLY** for these Scholarships/Grants/Fellowships. There are a number of companies and organizations that have donated monies for scholarship use to minority students. A great deal of the money is being returned due to a failure of minority students to apply for this funding. No money should be returned to donating companies because **“WE”** fail to use it. We must get the word out that money is available if you are a college student or are getting ready to be one. Please pass this list to a friend.
