**Safety Tips**

When walking about campus and surrounding areas;
- Stay alert and tuned in to your surroundings. Talking on cell phones and listening to musical device can be a distraction, when doing so be even more conscious of your surroundings.
- Familiarize yourself with the location of emergency call boxes
- Travel in groups of two or more.
- Park in well lit areas.
- Take note of individuals sitting in vehicles and move to the opposite side of the street to avoid coming in close proximity of the vehicle.
- Take note of suspicious vehicles i.e. tag number, make/model and color.
