Morehouse College Parents & Families:

Now that the semester is in full swing, we wanted to share some updates with the Morehouse Parents Community. Please be guided by the information outlined below.

Electronic Communication Is The Key to Staying Connected!

If you did not receive this letter directly from MCPC, you are not on our MCPC Email List. If you would like to receive email communications from MCPC, please send the contact information requested below to mcpc@morehouse.edu

- Parent's Names
- Parent's Email Address(es)
- City, State & Zip Code
- Son's Name, Graduating Year

Your information will only be used for e-communications from MCPC and will not be shared with others.

Emergency Contact System

Morehouse has an Emergency Contact System that sends email, phone and text notifications to Faculty/Staff, Students, and Parents in the event of an EMERGENCY. In order to be included on this contact list, Students and Parents must register EVERY YEAR. The school recently conducted a test of the system – if you did not receive a test call, email or text, you are not a registered participant.

So, how do you sign-up? Go to the TigerNet Home Page (http://tigernet.morehouse.edu/cp/home/login) and enter your updated information under the Emergency Contact Information Update section. PLEASE REMIND your sons to also RE-Register on TigerNet. We will notify parents when the school conducts the next Emergency Notification Test.

Your mobile number will NOT be published or used for any purpose other than emergency notification. This system's purpose is to assist in maintaining a safe environment for all faculty, staff, students, and parents of Morehouse College.

MCPC Homecoming Tent

The Morehouse College Homecoming is on Saturday, October 27 and we invite ALL PARENTS to stop by the MCPC Tent to join us for Food, Conversation and a Good Time! This will be a great time for you to check in on your sons and to meet fellow Morehouse Families from across the nation. Looking forward to seeing you there!

Be sure to wear your MCPC gear or stop by the MCPC Tent early so you can purchase an MCPC T-Shirt, Polo-Shirt or cap. We want to properly represent the hard working Parents of Morehouse College!

Parents Webinar: Understanding the New Academic Advising Model

Plan to join us on Thursday, November 1 for a Webinar to learn about the new Morehouse Academic Advising Model. This webinar will be facilitated by Dean Renardo Hall, Associate Vice President of Student Services. He will share the details behind the new model and give us tips on how we can support our sons during the upcoming Academic Advising season (November 5-9). More details to come soon…
