

Morehouse College Project: IMHOTEP

APPLICATION DEADLINE: JANUARY 31st

Sponsored by: Morehouse College Public Health Sciences Institute (PHSI)
in Cooperative Agreement with the

U.S. Department of Health and Human Services, Public Health Service, The Centers for Disease Control & Prevention (CDC)

Background: Project: IMHOTEP is designed for underrepresented minority students who are interested in pursuing careers in public health, with particular focus in Biostatistics, Epidemiology, and Occupational Safety & Health. Interns gain valuable experience in conducting public health research with health professionals at the CDC. The program is open to students with a major/minor in biology, chemistry, computer science, engineering, mathematics, physics, and any health related science.

Requirements: Applicant must be a Junior, Senior or Recent Graduate student with a cumulative grade point average (GPA) of 2.7 or better.

Dates of Program: May 24th through August 12, 2010

Location: Atlanta, GA; Cincinnati, OH; Hyattsville, MD; Morgantown, WV; Pittsburgh, PA; Spokane, WA; Tanzania, East Africa; and Washington, DC.

A Financial Stipend, Travel Allowance and Housing Will Be Provided.
