

**1st Division of Science and Mathematics
Interdisciplinary Conference**

Featuring

**The 21st Mapp Symposium & 19th Annual Public Health
Awareness Conference & Recruitment Fair**

Morehouse College: Atlanta, Georgia

April 7, 2009

***“Integrating Science, Technology, in Health:
Research Focused on Advancing Society”***

ABSTRACT SUBMISSION FORM

Registration Information

Name	
Address	
City	
State	
ZIP Code	
Telephone	
Institution/Organization	
Fax	
E-Mail	

Research Information

Research Title	
Mentor Name	
Institution/Organization	

Your Area of Research (Check Only One)

- Biology Chemistry Computer Science Math
 Physics Psychology Public Health

Poster or Oral Presentation (Check One)

- Poster Oral Presentation

Abstract Due Date & Deadline: *March 6, 2009*

Send by email in to: kmorris@morehouse.edu and
wford@morehouse.edu

The Division of Science and Mathematics Conference is an opportunity to present your research through a poster or oral presentation and expand your scientific and professional development knowledge through innovative sessions, as well as networking opportunities. Participants also learn about graduate schools and summer research opportunities.

Required Abstract Components and Guidelines

Abstracts must abide by the following rules and guidelines in order to be considered for acceptance into the conference:

- All submissions must be received by **5:00pm Eastern Standard Time, March 6, 2009**.
- The only method of submitting an abstract is through email. Emails should be sent to kmorris@morehouse.edu and wford@morehouse.edu . **Once received the applicant will receive notice that his/her abstract has been received.**
- Accepted abstracts must contain: 1) hypothesis or statement about the problem under investigation; 2) statement of the experimental methods/methodology used; 3) essential results must be provided in summary form (even if preliminary); and 4) a conclusion. Type abstract in Times Roman pt. 12, flush left margin and single line spacing except between the title-author section and body of abstract.
- Students must obtain permission from their research mentor, co-authors and program director before submitting an abstract.
- **Abstracts must have at least two authors in the author block.** Abstracts with only one author will be automatically rejected.
- Abstract must be written by the student and reviewed/edited by the mentor. Mentors should not write the abstract.
- Only one abstract submission, poster or oral, per student is acceptable. Students must decide between submitting an abstract for poster presentation or oral presentation. If a student submits more than one abstract, all abstracts associated with the student will be automatically rejected.
