Hazing Sanctions

Members of fraternal and social fellowship organizations must remember that these groups are on campus at the invitation of the College. Therefore, organizations that violate the rules and regulations that govern them are subject to sanctions, including suspension or revocation of their charters. In addition, members, like all Morehouse students, must comply with the rules and regulations of the College, including the rule against hazing or unauthorized activities with students interested in membership. Violation of this or any other College policy may result in disciplinary action up to and including dismissal from the College. Sanctions may include the following:

1. **Warning** – A notice in writing to the organization or member that the organization or member is violating or has violated institutional regulations.

2. **Probation** – A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the organization or member is found to be violating any institutional regulation during the probationary period. Organizations on probation may/may not be allowed to:
   a. Represent the College or their organization.
   b. Take part in extracurricular activities.
   c. Participate in a membership intake program.
   d. Wear paraphernalia on campus or at any College-related function.
   e. Occupy any position in a club or organization or serve on a College committee or board.

3. **Community Service** – the organization or members may be required to perform certain acts of community service as retribution for infractions. This sanction may be imposed in conjunction with other sanctions.

4. **Restitution** – Compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.

5. **Discretionary Sanctions** – Work assignments or service to the College or other related discretionary assignments.

6. **Chapter Suspension** – Separation of the chapter from the College for a definite period of time, after which the organization is eligible to return. Chapters suspended must submit all charter materials to the Office of Greek Life within 48 hours of suspension. Notification of chapter suspension will be sent to the governing district and national offices of the organization.

7. **Chapter Expulsion** – Permanent separation of the organization from the College with no recourse to return. Chapters expelled must submit all charter materials to the Office of Greek Life within 48 hours of expulsion. Notification of chapter expulsion will be sent to
the governing district and national offices of the organization.
