Dear Future Man of Morehouse:

Congratulations on your acceptance to Morehouse College! You have just successfully completed a monumental objective in the process of making one of the most important decisions in your life: where you will attend college. We hope that you will decide to make Morehouse College your choice for this next stage of your educational pursuits.

For more than 150 years, Morehouse College has been and continues to be a shining example of excellence in its ability to educate men and produce global leaders. Our legacy is of developing men who have helped transform society and the world. We take pride in our longstanding tradition of producing men of high academic preparation, strong moral character and transformational leadership ability.

As you consider your college choices, one very important question you should ask yourself is what are the outcomes and opportunities that exist for me upon completion of my degree. Morehouse has a network of more than 12,000 alumni. We have produced some of the nation’s top physicians and Wall Street executives, as well as a Nobel Peace Prize winner who now has his likeness on the mall in Washington, D.C. The College is the only Historically Black College and University to produce five Rhodes Scholars. Our graduates continue their education at some of the top graduate and professional schools in the nation, such as Harvard, Yale, Duke and Stanford. Others enter the workforce at many of the world’s leading employers, such as Microsoft, Coca-Cola, Google and Goldman Sachs.

We hope that you and your family will take the opportunity to tour Morehouse so that you can fully engage the campus community, personally experience the brotherhood, and see what being a student at Morehouse is all about. We are confident that Morehouse College will exceed your expectations.

We want you to attend Morehouse because we know that it will change your life and give you an experience that you cannot get at any other college in the world. We want you to become a man of Morehouse!

Please visit our website at www.morehouse.edu or contact the Office of Admissions at (844) 512-6672 to ask any questions you may have. We are here to help in any way we can.

We look forward to welcoming you to Morehouse College!

Sincerely,

Notice to Students Interested in Becoming a Student-Athlete at Morehouse College

If you wish to participate in athletics during your freshman year at Morehouse College, follow the steps below to ensure your eligibility:

1. While in high school, register with the NCAA Eligibility Center on-line at https://web3.ncaa.org/ecwr3/register/CERTIFICATION and pay a fee of $90 for domestic/ $150 for international student-athletes. You will be given a 10-digit NCAA ID number, which you should forward as soon as possible to:

   Katari Key  
   Associate Athletics Director for Compliance  
   Morehouse College  
   830 Westview Drive S.W.  
   Atlanta, GA 30314-3773  
   Katari.key@morehouse.edu  
   (470) 639-0713

   You also will need to indicate which sport(s) you wish to participate in.

2. Make sure that ALL previous high schools you attended send transcripts to the NCAA Eligibility Center.

3. Submit standardized test scores (SAT or ACT) to the NCAA Eligibility Center using the following four-digit code for SAT 9999 and the following three digit code for ACT.

4. After graduation from high school, send a final transcript with proof of graduation to the NCAA Eligibility Center.

After all information has been received by the Eligibility Center, the NCAA will determine initial eligibility.

If you would like to participate in fall sports such as football and cross country, this eligibility process must be completed during the summer before you enter Morehouse College at the latest, and it must be done with the assistance of your high school.

Morehouse can check to see if the required forms have been received by the Eligibility Center, but the high school Counselor and the standardized test company [ACT/SAT] must send the information on your behalf to the Eligibility Center. Morehouse does not have control of this process.

If you do not register with the NCAA Eligibility Center and pay fee, you will not be able to participate in any Intercollegiate Athletics competition or receive any athletic-related financial aid at Morehouse.

Please contact Katari Key at katari.key@morehouse.edu with any questions relating to the eligibility process.
