

1. Choose the "Edit a Section" task from the Actions menu of the Section that needs sections reordered.
2. Go to the "More" tab and select "Subsections."

3. Locate the "Order" column in the second screenshot.
4. Move sections up or down by clicking on the plus sign next to it

5. If you have more than 10 sections, change the quantity that you can see at one time by increasing it in the Display box at the top of the page.
